

In-house Manufactured Product Portfolio at CIL Goa/ Rabale/ Ambernath - India

S. No.	Business Unit Responsibility	Name of Product	Details
1.	Metering & Measurement	DISPLACER LEVEL TRANSMITTERS www.chemtrols.com	<ul style="list-style-type: none"> ↻ Buoyancy for Level, Density and Interface Measurement - Smart type ↻ [In Collaboration with Foxboro-Eckardt, Germany]
2.	Metering & Measurement	MECHANICAL Closed Loop Sampling System www.chemtrols.com	<ul style="list-style-type: none"> ↻ Close Sampling System, Sample Coolers (In collaboration with UOP LLC/IPL) ↻ [In Collaboration with UOP/ LLC/ IPL]
3.	Metering & Measurement	METAL TUBE VARIABLE AREA (ROTAMETERS) www.chemtrols.com	<ul style="list-style-type: none"> ↻ Metal Tube Rotameters for Ex and non Ex applications for line sizes up till 4". ↻ With Current HART, SMART, PA, FF Transmitters. ↻ With Alarm Contacts, Namur Output ↻ Standard & High Temperature versions
4.	Metering & Measurement	ELECTRO-MAGNETIC Flow Meters www.chemtrols.com	<ul style="list-style-type: none"> ↻ Electro-Magnetic Flow Meters with HR, PTFE Liners ↻ Line sizes from 15 mm up to 600 mm ↻ Compact, μP based with programming keys
5.	Metering & Measurement	TEMPERATURE Sensors & Transmitters www.chemtrols.com	<ul style="list-style-type: none"> ↻ Wide range of RTD's & Thermocouples for various applications ↻ Thermowells : Bar Stock / Pipe & Fittings ↻ Temperature Transmitters, DIN Rail, Head, Field Mounted, Ex-Proof with Display and Local Programming options. ↻ Multi-Point Temperature Elements ↻ Special application Temperature elements
6.	Metering & Measurement	GAS REGULATORS www.chemtrols.com	<ul style="list-style-type: none"> ↻ Natural Gas regulators Direct and Pilot Operated. ↻ Slam-Shut Valves ↻ Ratings up to ASME #300 class ↻ Line sizes from 25 NB to 100 NB ↻ Accuracy Class up till AC1
7.	Metering & Measurement	LOOP POWERD INDICATOR www.chemtrols.com	<ul style="list-style-type: none"> ↻ μP based, Current Loop Powered Indicator with 16 digits resolution Display ↻ Data Logging with Date & Time Stamping
8.	Metering & Measurement	METERING SKIDS Liquids & Gases www.chemtrols.com	<ul style="list-style-type: none"> ↻ Natural Gas Metering & Conditioning Skids ↻ Liquids metering skids for Custody Transfer Application.
